**NOTES:**

**1/7/2021**

Hog corral removed in Royal Shores and now being removed from Kings Point Trail; there were only 3 reports since last meeting in December and 2 reports. The activity has been very low.

**2/4/2021**

There were 5 reports and all in Stately Oaks/Kings Point area.

**3/4/2021**

There were five reports of hog damage in the Kings Point area.

One report of hog running down the middle of the street of Clear Ridge in Sherwood Trails

no damage reported. Just thought you would enjoy a laugh, the Woodlridge property is behind Sherwood Trails and Elm Grove.

Maybe they are coming from that property, not sure where the nearest waterway would be from the middle of the subdivision.

**4/1/2021**

There was only one report of hog damage since our last meeting from Kings Point area. The hog trackers were notified.

Geraldo reported he came up on a sow with piglets ; but Mike reported unsuccessful this month.

Kings Point Trail had a corral for two months and captured nothing. Royal Shores removed their corral also.

in Kings Point in January
